**Reports from Staff**

1. Report from City Administrator David Cameron.
  - a. City Administrator David Cameron thanked Council Member Jones and Council Member Brashers for agreeing to stay on Council until June due to the election scheduled today being postponed to June 2.
  - b. City Administrator David Cameron thanked the community. There has been a lot of civility in the phone calls we have taken. Mr. Cameron shared that he and the Mayor try to take the calls themselves and people have been understanding and just seeking clarity. We are trying to streamline the message to avoid confusion. Mr. Cameron shared we have fielded some complaints and have reached out to clarify information. Thank you public safety staff and medical staff for putting their health and safety at risk.
  - c. City Administrator David Cameron reassured people that they won't get pulled over for being out going to the store or to a business. Mr. Cameron reported he has gone to businesses to talk about how they are operating. Mr. Cameron shared that churches want to assemble in parking lots for church via radio and can do so as long as they aren't assembling in groups of 10 or more in the building and following social distancing.

- d. City Administrator David Cameron thanked staff for doing a fantastic job while working remotely. Mr. Cameron shared business is getting done every day and calls are getting answered. The internal controls are still in place to show the auditors that accountability remains in place so bills are getting paid.
  - e. City Administrator David Cameron thanked Karen Haynes for stepping in as Interim Community Development Director and announced they will have their first Planning and Zoning meeting via Zoom next week. Thanks to Karen and all the staff there who have not missed a beat. In the last week, Mr. Cameron has consolidated Community Development and Public Works into one department under the Community Development Department with Andrew Nelson as the director. This will provide synergy between the departments as they work together on developments.
  - f. City Administrator David Cameron shared we have been working on these meetings and budget planning for several weeks and is happy to have the budget put out. We are leading from the front and not behind. Mr. Cameron shared it is a blessing and privilege to serve this community and represent this region well.
2. Report from Council.
- a. Council Member Eric Franklin thanked Mr. Cameron and staff for the efforts and outstanding job being done. Thank you to the citizens for their efforts to control this as well with social distancing. Mr. Franklin expressed that hopefully we will be back to normal soon. Mr. Franklin shared he is looking forward to the Run RepMo 2020 and has signed up to participate.

### **Adjournment**

Mayor Pro Tem Russell adjourned the meeting at 7:11 p.m.

## AGENDA ITEM ANALYSIS

Project/Issue Name: 20-15 An Ordinance of the City Council of the City of Republic, Missouri, Approving the Annexation of Approximately 2.9 Acres of Land Located at the 7500 Block of West Farm Road 174 and Adjacent Right-of-Way.

Submitted By: Karen Haynes, Community Development Department

Date: April 21, 2020

### Issue Statement

The City of Republic's Community Development Department received a Voluntary Annexation Application from the Rader Trust for the Annexation of approximately (2.9) acres of land located at the 7500 Block of West Farm Road 174 (Exhibit).

### Discussion and/or Analysis

The property owner, Rader Trust, has submitted a Voluntary Annexation Request for the subject parcel, for a road, for a future residential development. The subject parcel is a strip of land directly adjacent to the recently annexed (20.5) acre Rader Trust property.

The request includes annexation of the Right-of-Way (West Farm Road 174) adjacent to the property subject to Annexation.

City water and sanitary sewer service is available in proximity to the property; subsequent review of water, sanitary sewer, and stormwater will be considered at the time of application for Rezoning and/or development. The subject parcel is compact and contiguous with the city limits of the City of Republic, as the subject parcel is surrounded by properties located in the City to the north and west.

The Future Land Use designation of the subject parcel is Low-Density Residential. The Low-Density Residential Future Land Use designation includes Single-Family Residential Development at 1-6 units per acre and neighborhood compatible institutional uses. Low-Density Residential Land Uses include the following Zoning Districts: High-Density Single Family Residential (R1-H), Medium-Density Single Family Residential (R1-M), and Low-Density Single Family Residential (R1-L).

The Annexation, if approved by City Council, will effectively zone the subject parcel as AG (Agricultural) in accordance with City Code Section 435.010.B, which requires all annexed properties to be classified in the zoning district corresponding to Greene County's zoning designation.

**Recommended Action**

Staff believes the Annexation of the subject property is consistent with the City's Future Land Use Map and Comprehensive Plan as an area of future residential growth for the City of Republic and enjoys immediate access to City of Republic municipal services.

**AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF REPUBLIC, MISSOURI, APPROVING THE ANNEXATION OF APPROXIMATELY 2.9 ACRES OF LAND LOCATED AT THE 7500 BLOCK OF WEST FARM ROAD 174 AND ADJACENT RIGHT-OF-WAY**

*WHEREAS*, the City of Republic, Missouri, (herein called the "City" or "Republic") is a municipal corporation and Charter City located in Greene County, Missouri, being duly created, organized, and existing under the laws of the State of Missouri; and

*WHEREAS*, a voluntary petition for the annexation of approximately 2.9 acres of land located at the 7500 Block of West Farm Road 174 and adjacent right-of-way has been filed with the Community Development Department; and

*WHEREAS*, the realty described in such petition is adjacent and contiguous to the present corporate limits of the City of Republic, Missouri; and

*WHEREAS*, the City Council of the City of Republic held a Public Hearing on the said petition on April 7, 2020, such hearing being held not less than fourteen days nor more than sixty days after the receipt of the petition requesting annexation; and

*WHEREAS*, at said Public Hearing, all interested persons, corporations or political subdivisions were afforded the opportunity to present evidence regarding the proposed annexation; and

*WHEREAS*, notice of said Public Hearing was published on the 22<sup>nd</sup> day of March 2020, in the *Springfield News-Leader*, a newspaper of general circulation authorized to publish legal notices, such Public Hearing being held not less than seven days after the date of publication of such notice; and

*WHEREAS*, no written objections to the proposed annexation were filed with the City Council within fourteen days after the date of said Public Hearing; and

*WHEREAS*, the City Council has found that the proposed annexation is reasonable and necessary for the proper development of the City of Republic and the City has the ability to furnish normal municipal services to the area within a reasonable time.

***NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF REPUBLIC AS FOLLOWS:***

Section 1: The following described realty is hereby annexed into, and made a part of, the City of Republic, Missouri, and its boundaries are hereby extended to include the same:

Approximately 2.9 acres located at the 7500 Block of West Farm Road 174 and adjacent right-of-way

## AGENDA ITEM ANALYSIS

Project/Issue Name: 20-16 An Ordinance of the City Council of the City of Republic, Missouri, Approving the Final Plat of the Monte Cristo Phase Eight Subdivision.

Submitted By: Karen Haynes, Community Development Department

Date: April 21, 2020

### Issue Statement

The City of Republic’s Community Development Department received a Final Plat Application for Monte Cristo Phase Eight (8) Subdivision on November 05, 2019.

### Discussion and/or Analysis

The Final Plat of Monte Cristo Phase Eight (8) will legally divide approximately 5.74 acres of land into twenty-one (21) residential lots and includes the dedication of right-of-way and Utility and Stormwater Easements (Exhibit).

The Final Plat of Monte Cristo Phase Eight (8) conforms to the Preliminary Plat of the Monte Cristo Subdivision approved by City Council on March 27, 2006.

City Staff has reviewed the Final Plat and has determined that it substantially conforms to the requirements of the Preliminary Plat, in addition to the requirements of the City Code Chapter 410 Subdivision Regulations, and Article V Major Subdivision-Final Plat.

### Recommended Action

Staff recommends approval of the Monte Cristo Phase Eight Final Plat.

**AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF REPUBLIC, MISSOURI,  
APPROVING THE FINAL PLAT OF THE MONTE CRISTO PHASE EIGHT SUBDIVISION**

*WHEREAS*, the City of Republic, Missouri, (herein called the "City" or "Republic") is a municipal corporation and Charter City located in Greene County, Missouri, being duly created, organized and existing under the laws of the State of Missouri; and

*WHEREAS*, the preliminary plat of the Monte Cristo subdivision was approved by the City on March 27, 2006; and

*WHEREAS*, the preliminary plat of the Monte Cristo subdivision indicated the phasing of development; and

*WHEREAS*, an application for the review and approval of a final plat of the Monte Cristo Phase Eight subdivision (herein called "Subdivision") was received by the Community Development Department after which the Community Development Department staff caused the review of the final plat document; and

*WHEREAS*, the minimum required public improvements for the Subdivision's final plat have been inspected and approved by the Public Works Department.

***NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF REPUBLIC, MISSOURI, AS FOLLOWS:***

- Section 1. That all conditions imposed by the Planning and Zoning Commission and the City Council relating to the acceptance and approval of the Subdivision have been met.
- Section 2. That the final plat of the Subdivision, attached hereto and incorporated herein as "Attachment 1", is hereby approved in all respects.
- Section 3. That the approval of the final plat of the Subdivision is contingent upon the same being recorded within sixty days after the approval certificate is signed and sealed under the hand of the City Clerk.
- Section 4. That the sale of lots and construction of structures in the Subdivision shall not commence until the final plat has been recorded.
- Section 5. The whereas clauses are hereby specifically incorporated herein by reference.
- Section 6. The provisions of this Ordinance are severable and if any provision hereof is declared invalid, unconstitutional, or unenforceable, such determination shall not affect the validity of the remainder of this Ordinance.
- Section 7. This Ordinance shall take effect and be in force from and after its passage as provided by law.

## AGENDA ITEM ANALYSIS

Project/Issue Name: 20-17 An Ordinance of the City Council of the City of Republic, Missouri, Amending the Budget for Fiscal Year 2020.

Submitted By: Debbie Parks, Finance Director

Date: April 21, 2020

### Issue Statement

Under Chapter 67 of the Missouri Revised Statutes and by City Charter, the City is required to pass and amend its budget to appropriate additional monies to those Funds that exceed the adopted budget for 2020. In addition, a budget amendment is required to change the designation of funds reserved through the budget process.

### Discussion and/or Analysis

The City of Republic City Administrator and Executive Leadership team convened a special meeting on March 12, 2020 to discuss emergency preparedness that included financial impact and sustainability, suspension of programs, suspension of Municipal Court, and closure of municipal buildings, freezes on new capital expenditures and hiring new positions in response to COVID-19.

Following that initial meeting, President Donald J Trump declared a national emergency and initiated a "15 Days to Slow the Spread" guidelines, which has been extended through April 30, 2020. In addition, Greene County issued Court Order POL - 20.3.17, declaring a state of emergency for Greene County in response to the outbreak of COVID-19. The impact of the 30 day "stay at home order" is anticipated to have an impact on the City of Republic's sales tax revenue. The full impact is unknown at this time, so projections of possible revenue scenarios have been completed.

Administration has prepared for a potential downturn in sales revenue throughout the remainder of FY 2020 and has prepared a Financial Sustainability & Recovery Plan that is outlined in two phases. The Sustainability Phase outlines the creation of a financial sustainability account. This account would be utilized to cover any loss of revenue through the FY 2020 Budget year. The 2020 Budget Amendment includes reallocating the use of general fund designated accounts to a special financial sustainability account. The general fund designated accounts were created through budgetary actions and are not restricted cash accounts. After the Financial Recovery Phase, if the funds are not utilized during the

Sustainability Phase, a budget amendment would be brought back to City Council to consider designating the funds for the original purpose at the beginning of FY 2020.

The cash accounts that are to be reallocated and moved to the Financial Sustainability Account:

- Designated - Police Equipment & Vehicles - \$34,216.70
- Designated - Fire Equipment & Vehicles Fund - \$76,749.23
- Designated - EMA Equipment & Vehicles - \$6,205.00
- Designated - Operating Cash Reserves - \$219,348.71
- Designated - Capital Replacement \$318,687.40

Additionally, the Building Official position in Community Development will be paid from the Building Safety Reserve for FY 2020 in the amount of \$65,000.00.

#### **Recommended Action**

Staff recommends City Council approval of this amendment to the 2020 Budget, which creates a financial sustainability account, moves the designated cash accounts in the total amount of \$720,207 and allows utilization of these funds in the case of a decrease in anticipated revenues to the FY 2020 Budget.

**AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF REPUBLIC, MISSOURI,  
AMENDING THE BUDGET FOR FISCAL YEAR 2020**

*WHEREAS*, the City of Republic, Missouri, (herein called the "City" or "Republic") is a municipal corporation and Charter City located in Greene County, Missouri, being duly created, organized, and existing under the laws of the State of Missouri; and

*WHEREAS*, on November 19, 2019, City Council approved an annual budget for the Fiscal Year 2020 (Ordinance No. 19-23); and

*WHEREAS*, the City Council has the authority to revise budgeted expenditures from any fund pursuant to the provisions of Sections 67.030 and 67.040 RSMo, Section 7.4 of the City Charter, and Section 135.040 of the Municipal Code; and

*WHEREAS*, The City's primary source of operating cash comes from monthly sales tax receipts which the City projects will likely be impacted by current COVID-19 issue; and

*WHEREAS*, There are no current provisions in any of the three Federal Stimulus Packages that allow for financial subsidy for local government; and

*WHEREAS*, Given the 90-day delay from the date of purchase by the consumer to the receipt of funds by the City, staff projects the most significant financial impacts will begin in July 2020 and last throughout the Fiscal Year 2020 which will necessitate financial restructuring; and

*WHEREAS*, While it is near impossible at this time to know the full impact of COVID-19 on the City's budget, extreme scenarios were established that begin with 30% reductions, increasing to 40% over a three month period, and recovering to 20% reduction by the end of the Fiscal Year 2020; and

*WHEREAS*, Provided the financial assumptions, the General Fund would experience a \$745,469 decrease, Streets would experience \$246,568 decrease, and Parks and Recreation would experience a \$479,875 decrease; and

*WHEREAS*, The Police and Parks Departments receive funding from sale taxes collected throughout Greene County, which will likely recognize more significant declines in sales tax revenue; and

*WHEREAS*, It will likely be necessary to utilize designated funds to offset losses in interest income and sales tax revenue; and

*WHEREAS*, Our current employees are our greatest asset, and maintaining their current employment and wages is vital for the delivery of community services; and

*WHEREAS*, It is important to begin replenishing staffing and capital projects as the economy recovers; and

*WHEREAS*, the Fiscal Year 2020 budget must be amended for the City's budget to meet statutory requirements and the financial needs of the City.

***NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF REPUBLIC, MISSOURI, AS FOLLOWS:***

- Section 1. A new account under the General Fund categorized as the Financial Sustainability Account is created with a starting balance of \$0.00. The Financial Sustainability Account will be utilized to fund a possible decrease in revenue in Fiscal Year 2020 to sustain City operations.
- Section 2. In the General Fund, the account currently designated as the Police Equipment and Vehicles Account in the approximate amount of \$34,216.70 is undesignated and moved to the Financial Sustainability Account.
- Section 3. In the General Fund, the account currently designated as the Fire Equipment and Vehicles Account in the approximate amount of \$76,749.23 is undesignated and moved to the Financial Sustainability Account.
- Section 4. In the General Fund, the account currently designated as the EMA Equipment and Vehicles Account in the approximate amount of \$6,205.00 is undesignated and moved to the Financial Sustainability Account.
- Section 5. In the General Fund, the account currently designated as the Operating Cash Reserves Account in the approximate amount of \$219,348.71 is undesignated and moved to the Financial Sustainability Account.
- Section 6. In the General Fund, the account currently designated as the Capital Replacement Account in the approximate amount of \$318,687.40 is undesignated and moved to the Financial Sustainability Account.
- Section 7. The Building Official position in Community Development will be paid from the Building Safety Reserve for Fiscal Year 2020 in the approximate amount of \$65,000.00.
- Section 8. The whereas clauses are hereby specifically incorporated herein by reference.
- Section 9. All other provisions of Ordinance No. 19-23 not specifically referenced in this Ordinance shall remain unmodified and in full force and effect.
- Section 10. The provisions of this Ordinance are severable, and if any provision hereof is declared invalid, unconstitutional, or unenforceable, such determination shall not affect the validity of the remainder of this Ordinance.
- Section 11. This Ordinance shall take effect and be in force from and after its passage as provided by law.

## AGENDA ITEM ANALYSIS

Project/Issue Name: 20-18 An Ordinance of the City Council of the City of Republic, Missouri, Approving Amending the Zoning Code and Official Map by Changing the Classification of Approximately 6.4 Acres, Located at 830 West O'Neal Road, from Agricultural (AG) to Medium Density Single-Family Residential (R1-M)

Submitted By: Karen Haynes, Community Development Department

Date: April 21, 2020

### Issue Statement

Vincent Todd Wright has applied to change the Zoning Classification of **(6.4) acres** of property located at 830 West O'Neal Road from **Agricultural (AG) to Medium Density Single-Family Residential (R1-M)**.

### Discussion and/or Analysis

The property subject to this Rezoning Application is comprised of approximately **(6.4) acres** of land located at 830 West O'Neal Road. A single-family residential structure and several residential accessory structures are currently located on the property.

The following paragraphs contain brief analyses of present site conditions as well as the proposal's relationship to **adopted plans of the City**.

#### Consistency with the Comprehensive Plan

The City's Comprehensive Plan generally encourages the expansion of residential development through proactive rezoning of land at appropriate locations. Appropriate locations are described generally throughout the Plan with regard to the **relationship of land at particular locations to infrastructure capable of supporting various intensities and densities of uses**.

The Plan also more particularly describes appropriate future land uses through the depiction of a **"Future Land Use Map" (FLUM)**. In this case, the FLUM depicts the subject property as having a **Low Density Residential FLUM** designation. The City's Adopted 2005 Land Use Plan has identified the **"Low Density Residential"** Future Land Use Map designation as **"Single-Family Residential Development at 1-6 units per acre,"** which includes the Low Density Single-Family Residential (R1-L) at 4 dwelling units/acre, **Medium Density Single-Family Residential (R1-M) at 5 dwelling units/acre,** and High Density Single-Family Residential (R1-H) at 6 dwelling units/acre.

The 2005 Land Use Plan identifies Land Use Goals and Objectives relating to residential development, as follows:

- **Goal:** Cost-effective Private Development Density. Encourage higher density development that will reduce the amount of infrastructure and cost to the developer and reduce the maintenance costs by the City.
  - **Objective:** Use the Land Use Plan to promote and guide the development of land at higher densities to reduce the amount of infrastructure constructed within the City.
  - **Policies:**
    - Plan for higher density development that will reduce the cost of maintenance of new infrastructure improvements, such as water, sanitary sewer, stormwater and roads.
- **Goal:** Diversify the Republic Housing Market.
  - **Objective:** Promote all types of residential development.
- **Goal:** Improve the quality of all types of housing in the City.
  - **Objective:** Encourage the development of high quality housing regardless of the size, type, and density of housing being constructed.

The general trend of development in the vicinity of the subject property (along East Hines) in recent years has been the development of **residential subdivisions**.

#### **Compatibility with Surrounding Land Uses**

The subject property is surrounded by Medium Density Single-Family Residential (R1-M) in all directions; there is a (5) acre parcel adjacent to the southwest zoned Greene County Agricultural.

The land uses permitted in the Medium Density Single-Family Residential (R1-M) Zoning District include single-family dwellings, residential accessory structures, golf courses, country clubs, and schools.

#### **Capacity To Serve Potential Development and Land Use**

**Municipal Water and Sewer Service:** This site is currently served by City of Republic water; sewer is provided by a private septic system. The site currently has a (10) inch water main running along the north property line running parallel to West O'Neal Road, a (6) inch water main located at the western property line at the termination of West Audrey Street, and a (6) inch water main located at the eastern property line at the termination of South Lipscomb Drive. City sewer mains are located at the termination of West Audrey Street and South Lipscomb Drive; the (8) inch sewer mains flow to Lift Station #2 before flowing to the Wastewater Treatment Facility. The water and sewer mains in place have the capacity to serve the potential development.

**Transportation:** The subject parcel is currently accessible, for agricultural and residential purposes, from an access point on West O'Neal Road, directly adjacent to the eastern property line; subsequent development of the subject parcel will require review of new entrances(s) through the Preliminary Platting process. The need for a Traffic Impact Study (TIS) will be evaluated at the time of development; the subdivision of the property into more than (4) lots or the extension of municipal services and/or a local street connection will require a Preliminary Plat.

**Floodplain:** The subject parcel **does not** contain a Special Flood Hazard Area (SFHA/Floodplain).

**Sinkholes:** The subject parcel does not contain any **identified sinkholes**.

**Extent to which Proposed Amendment Creates Nonconformities**

Any existing agricultural uses presently conducted on the subject property would be permitted to continue as is at the time of rezone until such time as the use is altered in a way that would remove that lawfully existing nonconforming status. Types of alterations that would cause the removal of that status include redevelopment, expansion of the nonconforming use, substantial destruction of the nonconformity, etc.

**Recommended Action**

Staff considers the **proposed Zoning Map Amendment (Rezoning)** to be generally consistent with the **goals and objectives of the Comprehensive Plan**, consistent with the **trend of development in the vicinity of the site**, generally **compatible with surrounding land uses**, and **able to be adequately served by municipal facilities**. Based upon this analysis (performed without the benefit of evidence and testimony of a public hearing), **Staff recommends the approval of this application.**

**AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF REPUBLIC, MISSOURI, APPROVING AMENDING THE ZONING CODE AND OFFICIAL MAP BY CHANGING THE CLASSIFICATION OF APPROXIMATELY 6.4 ACRES, LOCATED AT 830 WEST O'NEAL ROAD, FROM AGRICULTURAL (AG) TO MEDIUM DENSITY SINGLE-FAMILY RESIDENTIAL (R1-M)**

*WHEREAS*, the City of Republic, Missouri, (herein called the "City" or "Republic") is a municipal corporation and Charter City located in Greene County, Missouri, being duly created, organized, and existing under the laws of the State of Missouri; and

*WHEREAS*, an application for amendment to the Zoning Code and Official Zoning Map to rezone real estate located at 830 West O'Neal Road, and comprising approximately 6.4 acres, from Agricultural (AG) to Medium Density Single-Family Residential (R1-M), was submitted to the Community Development Department Staff by Vincent Todd Wright (hereinafter "Applicant"); and

*WHEREAS*, the Community Development Staff did thereafter submit said application to the Planning and Zoning Commission which did set April 13, 2020, as the date a public hearing would be held on such application and proposed amendment; and

*WHEREAS*, notice of the time and date of the public hearing was given by publication on March 25, 2020, in *The Greene County Commonwealth*, a newspaper of general circulation in the City, such notice being at least 15 days before the date set for the public hearing; and

*WHEREAS*, the City gave notice of such public hearing to the record owners of all properties within the area proposed to be rezoned and within 185 feet of the property proposed to be rezoned; and

*WHEREAS*, a public hearing was conducted by the Planning and Zoning Commission on April 13, 2020, after which the Commission rendered written findings of fact on the proposed amendment and rezoning and, thereafter, submitted the same, together with its recommendations, to the City Council; and

*WHEREAS*, the Planning and Zoning Commission by a vote of 7 Ayes to 0 Nays, recommended the approval of such application for rezoning; and

*WHEREAS*, the application for rezoning and to amend the Zoning Code and Official Zoning Map was submitted to the City Council at its regular meeting on April 21, 2020, after which the City Council did proceed to vote to rezone such property and amend the Zoning Code accordingly.

***NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF REPUBLIC, MISSOURI, AS FOLLOWS:***

- Section 1. That the Zoning Code and Official Zoning Map are hereby amended insofar as the same relates to a certain tract of realty located at 830 West O'Neal Road, and comprising approximately 6.4 acres, from Agricultural (AG) to

**Section 405.090. "R1-M" Medium Density Single-Family Residential District.**

- A. *Purpose.* The intent of the "R1-M" Medium Density Single-Family Residential District is designed for nine thousand (9,000) square foot single-family detached residential uses at moderate densities of approximately five (5) dwelling units per acre. Internal stability, harmony, attractiveness, order and efficiency are encouraged by providing for adequate light, air and open space for dwellings and related facilities and by consideration of the proper functional relationship and arrangement of the different uses permitted in this district. This district is intended for areas that have access for vehicular traffic from collector or higher classification streets without crossing minor streets in adjoining neighborhoods.
- B. *Uses Permitted.*
1. Model homes in accordance with Section 410.190.
  2. Single-family dwellings.
  3. Accessory buildings customary, incidental and subordinate to the main building.
  4. Churches or other places of worship, including parish houses and Sunday Schools, but excluding overnight shelters and temporary outdoor revivals, on a minimum of two (2) acres of land, to provide sufficient land area for off-street parking, bufferyards and proper site design to lessen impact on adjoining residential neighborhoods. The requirements of Article VI and X regarding parking, loading, landscaping, and open space shall be required.
  5. Golf courses and country clubs.
  6. Home occupations in accordance with Section 405.630.
  7. Public parks and playgrounds.
  8. Public school, elementary and high, and educational institutions having a curriculum the same as ordinarily given in public schools, on a minimum of two (2) acres of land, to provide sufficient land area for off-street parking, bufferyards and proper site design to lessen impact on adjoining residential neighborhoods. The requirements of Article VI and X regarding parking, loading, landscaping, and open space shall be required.

9. Any use conforming at the time the district is mapped.
  10. *Group homes.* The exterior appearance of the home and property shall be in reasonable conformance with the general neighborhood standards. No group home shall be located within two thousand five hundred (2,500) feet of another group home.
- C. *General Regulations.* Property and buildings in the "R1-M" District shall be subject to the following area regulations:
1. *Street frontage.* Each lot shall have a clear, direct frontage on a dedicated City street.
  2. *Platting requirements.* Each dwelling shall be located on its own individual platted lot. If areas for common use of occupants of the development are shown on the plat, satisfactory arrangements shall be made for the maintenance of the common open space and facilities, whether in the form of a neighborhood association or public dedication. The plat shall indicate the any easements and covenants appurtenant thereto.
  3. *Off-street parking.* As required by Article VI of this Chapter.
  4. *Accessory buildings and structures.* As required by Section 405.640 of this Chapter.
  5. *Trees.* There shall be a requirement of at least one (1) tree for each platted lot in order to enhance private space. The tree shall be of a variety that provides shade and screening and shall be at least six (6) feet in height at the time of planting.
- D. *Height And Area Regulations.* The height and area regulations shall be provided in accordance with the requirements set forth in Article V.

## AGENDA ITEM ANALYSIS

Project/Issue Name: 20-19 An Ordinance of the City Council of the City of Republic, Missouri Approving Amending the Zoning Code and Official Map by Changing the Classification of Approximately 24.48 Acres, Located at the 6300 Block of South Farm Road 89, from Agricultural (AG) to High Density Single-Family Residential (R1-H)

Submitted By: Karen Haynes, Community Development Department

Date: April 21, 2020

### Issue Statement

Steven McElhaney has applied to change the Zoning Classification of **(24.48) acres** of property located at the 6300 Block of South Farm Road 89 from **Agricultural (AG) to High Density Single-Family Residential (R1-H)**.

### Discussion and/or Analysis

The property subject to this Rezoning Application is comprised of approximately **(24.48) acres** of land located at the 6300 Block of South Farm Road 89. The property is currently vacant, containing no agricultural or residential structures, and is being utilized for agricultural purposes.

The following paragraphs contain brief analyses of present site conditions as well as the proposal's relationship to **adopted plans of the City**.

#### Consistency with the Comprehensive Plan

The City's Comprehensive Plan generally encourages the expansion of residential development through proactive rezoning of land at appropriate locations. Appropriate locations are described generally throughout the Plan with regard to the **relationship of land at particular locations to infrastructure capable of supporting various intensities and densities of uses**.

The Plan also more particularly describes appropriate future land uses through the depiction of a **"Future Land Use Map" (FLUM)**. In this case, the FLUM depicts the subject property as having a **Low Density Residential FLUM** designation. The City's Adopted 2005 Land Use Plan has identified the **"Low Density Residential"** Future Land Use Map designation as **"Single-Family Residential Development at 1-6 units per acre,"** which includes the Low Density Single-Family Residential (R1-L) at 4 dwelling units/acre, Medium Density Single-Family Residential (R1-M) at 5 dwelling units/acre, and **High Density Single-Family Residential (R1-H) at 6 dwelling units/acre.**

The 2005 Land Use Plan identifies Land Use Goals and Objectives relating to residential development, as follows:

- **Goal:** Cost-effective Private Development Density. Encourage higher density development that will reduce the amount of infrastructure and cost to the developer and reduce the maintenance costs by the City.
  - **Objective:** Use the Land Use Plan to promote and guide the development of land at higher densities to reduce the amount of infrastructure constructed within the City.
  - **Policies:**
    - Plan for higher density development that will reduce the cost of maintenance of new infrastructure improvements, such as water, sanitary sewer, stormwater and roads.
- **Goal:** Diversify the Republic Housing Market.
  - **Objective:** Promote all types of residential development.
- **Goal:** Improve the quality of all types of housing in the City.
  - **Objective:** Encourage the development of high-quality housing regardless of the size, type, and density of housing being constructed.

The general trend of development in the vicinity of the subject property in recent years has been the development of **residential subdivisions**.

#### **Compatibility with Surrounding Land Uses**

The subject property is surrounded by The Lakes at Shuyler Ridge Planned Development to the east, Valley Trail Planned Development to the west and Greene County Agricultural zoned properties to the north and south.

The land uses permitted in the High Density Single-Family Residential (R1-H) Zoning District include single-family dwellings, residential accessory structures, golf courses, country clubs, and schools.

#### **Capacity To Serve Potential Development and Land Use**

**Municipal Water and Sewer Service:** This site is not currently connected to municipal utilities. The site currently has an eight (8) inch water main adjacent to the east property line on East New Madrid Drive in the Shuyler Ridge Subdivision; an extension of the ten (10) inch water main located in the Valley Trail Subdivision on the west side of South Farm Road 89 will be required to make a looped connection through the subdivision. An eighteen (18) inch sewer main is located at the east property line on East New Madrid Drive; flowing to the Shuyler Creek Lift Station before travelling through a force main to the Wastewater Treatment Facility. The water and sewer mains in place have the capacity to serve the potential development.

**Transportation:** The subject parcel is currently accessible, for agricultural and residential purposes, from an access point on South Farm Road 89, directly adjacent to the western property line; subsequent development of the subject parcel will require review of new entrances(s) through the Preliminary Platting process. The Republic City Code will require the development of the subject property to include the extension of internal public streets to boundary lines, sidewalks, and the construction of public streets of sufficient width to accommodate the development. South Farm Road 89 is identified as a Secondary Arterial on the Major Thoroughfare Plan, if the property is developed, a dedication of Right-of-Way will be required during the Final Platting Process. A Traffic Impact Study (TIS) has been completed by the Applicant and reviewed by the City; the report indicates no major improvements are needed to the City's existing transportation system to accommodate the increase in traffic generated by the proposed development.

**Floodplain:** The subject parcel **does not** contain a Special Flood Hazard Area (SFHA/Floodplain).

**Sinkholes:** The subject parcel **does not** contain any **identified sinkholes**.

**Extent to which Proposed Amendment Creates Nonconformities**

Any existing agricultural uses presently conducted on the subject property would be permitted to continue as is at the time of rezone until such time as the use is altered in a way that would remove that lawfully existing nonconforming status. Types of alterations that would cause the removal of that status include redevelopment, expansion of the nonconforming use, substantial destruction of the nonconformity, etc.

**Recommended Action**

Staff considers the **proposed Zoning Map Amendment (Rezoning)** to be generally consistent with the **goals and objectives of the Comprehensive Plan**, consistent with the **trend of development in the vicinity of the site**, generally **compatible with surrounding land uses**, and **able to be adequately served by municipal facilities**. Based upon this analysis (performed without the benefit of evidence and testimony of a public hearing), **Staff recommends the approval of this application.**

**AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF REPUBLIC, MISSOURI, APPROVING AMENDING THE ZONING CODE AND OFFICIAL MAP BY CHANGING THE CLASSIFICATION OF APPROXIMATELY 24.48 ACRES, LOCATED AT THE 6300 BLOCK OF SOUTH FARM ROAD 89, FROM AGRICULTURAL (AG) TO HIGH DENSITY SINGLE-FAMILY RESIDENTIAL (R1-H)**

*WHEREAS*, the City of Republic, Missouri, (herein called the "City" or "Republic") is a municipal corporation and Charter City located in Greene County, Missouri, being duly created, organized, and existing under the laws of the State of Missouri; and

*WHEREAS*, an application for amendment to the Zoning Code and Official Zoning Map to rezone real estate located at the 6300 Block of South Farm Road 89 and comprising approximately 24.48 acres from Agricultural (AG) to High Density Single-Family Residential (R1-H), was submitted to the Community Development Department Staff by Steven McElhaney (hereinafter "Applicant"); and

*WHEREAS*, the Community Development Staff did thereafter submit said application to the Planning and Zoning Commission which did set April 13, 2020, as the date a public hearing would be held on such application and proposed amendment; and

*WHEREAS*, notice of the time and date of the public hearing was given by publication on March 25, 2020, in *The Greene County Commonwealth*, a newspaper of general circulation in the City, such notice being at least 15 days before the date set for the public hearing; and

*WHEREAS*, the City gave notice of such public hearing to the record owners of all properties within the area proposed to be rezoned and within 185 feet of the property proposed to be rezoned; and

*WHEREAS*, a public hearing was conducted by the Planning and Zoning Commission on April 13, 2020, after which the Commission rendered written findings of fact on the proposed amendment and rezoning and, thereafter, submitted the same, together with its recommendations, to the City Council; and

*WHEREAS*, the Planning and Zoning Commission by a vote of 7 Ayes to 0 Nays, recommended the approval of such application for rezoning; and

*WHEREAS*, the application for rezoning and to amend the Zoning Code and Official Zoning Map was submitted to the City Council at its regular meeting on April 21, 2020, after which the City Council did proceed to vote to rezone such property and amend the Zoning Code accordingly.

***NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF REPUBLIC, MISSOURI, AS FOLLOWS:***

- Section 1. That the Zoning Code and Official Zoning Map are hereby amended insofar as the same relates to a certain tract of realty located at the 6300 Block of South Farm Road 89 and comprising approximately 24.48 acres from

Agricultural (AG) to High Density Single-Family Residential (R1-H), such tract being more fully described as follows:
